9) During the year 1936-37, two grants were made from for the Institutions, one of Rs 20/- from the I & C Dept and the other of Rs 25/- from the Chatram Savings Fund. At the time of according sanction, the two Depts were not aware of the fact that the other Dept has sanctioned a grant to the same Institution

10) Strictly speaking the Institution in question is an orphanage and according to para 2 of the G.O. dated 26th May 1925, and G.O. No. D. dated 4th Aug. 1927, the question of making a grant will to the Institution will have to be dealt with in the Education Branch

11) The M.C has recommended sanction to an enhanced grant of Rs 50/- to the Institution stating that it is entitled to it according to Standing Orders. But a perusal of the G.O. dated 26th May 1925 will show that

would appear to make it clear that the institution does not fall within the purview of the said order so as to become entitled to a grant from the Chattram Savings Fund. Submitted for orders.

BDS 26/7 27.7.37. 10/ This institution is primarily one for Destitute women & the G.O. of 1928 admits of grants to such institutions from the Chattram Savings Fund subject to the conditions mentioned therein. The grant has to be limited to one-third of the total expenditure on the institution. The statement of accounts attached to the annual report does not give a clear idea of the recurring expenditure on the institution. As in any event the expenditure does not seem to be less than Rs 1500, a contribution of Rs 500/- per annum as suggested may perhaps be sanctioned for (one) year subject to the usual conditions. The order may be communicated to other depts to prevent further grants from them in respect of the same Home

The expenditure is more than the income and the M.C. has stated that the Municipality will have to find a big grant for want of accommodation and that it is hopeless and capable of expansion in Social work

18) From the Statement of expenditure during the 6 months ending 30.9.37 it is seen that the recurring expenditure is about Rs 1253.40. On this basis, the expenditure for the whole year will be more than Rs 1500/-. This is likely to increase as the management consider that a bigger building is required. In these circumstances the grant of Rs 500/- per annum may perhaps be sanctioned. Such matter refer to Members under para 13

SIR,

Grant for the maintenance of "Seva Sadana", Malleswaram, Bangalore.

Adverting to G.O.No.158-60/Muz.313-35-2 dated 25/27th July 1936 sanctioning temporarily for one year, a monthly grant of Rs 25 from the Chattram Savings Fund for the above, I have the honor to forward herewith letter dated 5th May 1937 together with a printed copy of its annual report for the year ending December 1936 received from the Honorary President requesting the continuance of the grant at an enhanced rate.

2. The report speaks for itself. The institution is a beneficial one and has been doing good work. The average cost of working the Sadana comes to Rs 152 a month calculated on the aggregate expenditure incurred for the year ending 31st December 1936 and it is entitled to one-third of this from the Chattram Savings Fund in accordance with standing orders. I recommend that a grant-in-aid of Rs 50 a month may be sanctioned in favour of the institution for one year commencing from 1st July 1937. Pending orders of Government, provision for this charge has been included in the Chattram Savings Fund Budget for 1937-38.

I have the honor to be,
Sir,
Your most obedient servant,

Respected Sir,

Reference to your esteemed letter no $\frac{1564}{36-37}$ asking us to furnish you the recurring expenditure of the Seva Sadan association, in the first place we beg to bring it to your kind consideration that we badly need a bigger accomodation for the inmates of the Institution as the number has risen from 12 to 26 with in the course of last twelve months viz, from June '36 to July '37. There are about half a dozen more afflications pending, which we cannot at present entertain as the place is packed up - and it is incumbent upon us to hire a bigger house and pay a higher rent, which we are perfectly unable to do.

For your worthy guidance we have pleasure in enclosing herewith a comparative statement for the ~~X~~ eleven months of '36 and nine months of this present year, from which it is evident that the running expences exceed by about Rs 300 before the end of the year and we shall have to incur another Rs 100 or so.
